FOR EDUCATIONAL PURPOSES

SET OBSERVATION PUZZLES THE FOUR SEASONS (4 units)

Ref. 50524

CONTENTS:

The game consists of 4 puzzles of 24 pieces. Puzzle dimensions: 33 x 24 cm.

RECOMMENDED AGES:

3-7 years old.

We recommend that children aged 3 and 4 work with an adult who can help them to put the puzzles together.

EDUCATIONAL OBJECTIVES:

- To develop observational skills.
- To improve psychomotor coordination and manual skills by handling the pieces and fitting them together correctly.
- To develop and enlarge basic vocabulary relating to the images on the puzzles.

METHOD OF PLAY:

1. Group together all the pieces of the same puzzle.
2. Once grouped, you can start putting together the puzzle.
